

JEGM Student Travel Scholarship Program Announcement

The combined GCMAS/ESMAC Education Committee announces the opening of the JEGM Student Travel Scholarship Program competition. This program was made possible through the financial support of the GCMAS membership and the generosity of selected vendors. The goal of this program is to provide financial support to student scientists in movement analysis. The funding is available to defray costs for attending the JEGM meeting (May 12-15, 2010, Miami, Florida, USA). Top student scientists in movement analysis are encouraged to apply for these competitive awards. These awards are not limited to the GCMAS student members.

The application and guidelines can be found at: <http://www.gcmas.org/stsp>.
